Our input is attached as disseminated in our morning Sit Rep – red is new info. Let me know if you want a different format. IEB info not in this version – they are doing their own for this morning. We will still produce the pm edition with IEB per usual. Txs.

PCO has called another Ministers brief for 1pm tomorrow. We'll have a pre-meet at 12:30pm (invite just sent). Invite anyone I have missed that is needed for this discussion.

Please send updates throughout evening and morning so DMs have situational awareness.

For 11:45am tomorrow, can we please get a package that pulls together:

- an operational sitrep (direction issued, what were seeing for border impacts, protesters identified, truck volumes, etc.),
- intel landscape, and
- update on admissibility policy work

Thanks,
Jag
